⊕ Electric meter	□ Concrete monument found
⊕ Fire hydrant	■ Concrete monument set
⊕ Power pole, 'T' pole	

WHITFIELD MOORE SURVEY
Abstract No. 561

NOTES:

1. Bearings are based upon the Texas State Plane Coordinate System, North Central Zone (NAD83), as determined using GPS, on September 27, 2013, and proceeding westerly.
2. All distances are shown in feet and inches (Ft. & In.).
3. All corners labeled "1/2\" U.S.", "3/4\" diameter steel reinforcing bars 1/2\" in length with 1/2\" U.S. caps are shown as they were found.
4. The survey was conducted using a Trimble S7100 Total Station, Leica Auto Level, Siney Hobby, Integrated Circuits and Coding Advanced Computer.
5. No current file comments or the report was provided to the Surveyor. Easements and all improvements were shown on the map.
6. All improvements were shown on the map.
7. Unsubstantiated claims other than any shown on the map may not be considered or changed to have unless located before signing.
8. The road on the north side of the property appears as a county road on the 1988 map and as a road on the 1987 map. The road on the south side of the property appears as a county road on the 1988 map and as a road on the 1987 map. The road on the north side of the property appears as a county road on the 1987 or later maps and does not appear to be previously established by the county.
